No. F. 328-825/41.Q/14.7.1942

Recommending that the restriction imposed by the g.o.p. 30.5.1932 that the Salary plus the allowances should not exceed Rs 100/- except in the Case of Rangers at Hebbe and Mukhodi may be waived.

(1) In the circumstances explained in para 2 of the p.n.d. the recommendation of the C.C.F may perhaps be sanctioned with Fl. Concurrence. There are now 9 Rangers in charge of select natural Rangers getting a local allowance of Rs 10/- each p.m. Except in the Case of 2 Rangers in charge of Hebbe & Mukhodi Rangers there is a restriction imposed on the remaining 7 Rangers that their pay and allowance combined should not exceed Rs 100/-. The C.C.F's recommendation is to waive this restriction as was recently done in the Case of Ranger, Shingé Sau Kiik & dealt with all available previous references. Reference is also invited to the note recorded in Pt File 231-40 (Q).

f) The case of the Ranger, Government Saw Mills, Shimoga, is quite different. In the case of the Rangers at Hebbe and Muthodi, the consideration was that the places were extremely unhealthy.

GENERAL SECRETARY 15 JULY 1942

Ft

Sir,

RE:- Local Allowance of Rs.10/-per mensem sanctioned to Rangers in charge of certain Malnad Ranges.

In forwarding herewith a copy of letterNo.1662 dated 25th ultimo received from the District Forest Officer, Mysore Division requesting that the Ranger in charge of Begur Range may be permitted to draw the above mentioned local allowance irrespective of his salary, I have the honour to state that the local allowance in question which was first sanctioned to the Rangers in charge of the marginally noted Ranges as per Government orders No. G.2291-2/Ft.2-27-10 dated 20th August 1929 and G.5922-3/Ft.134-30-4 dated 5th December 1930 and continued from time to time, was made permanent in Government Order No.G.9749-50/Ft.6-33-40 dated 7th June 1937 and it is being continued as per G.O.No.G.2864-5/Ft.30-34-11 dated 22nd September 1938 sanctioning the last reorganisation of the Department. G.O.No.Fl.8611-12/S&A.176-31-38 dated 30th May 1932 however imposes a restriction from 1st June 1932 that the salary plus the allowance shall not exceed Rs.100/- per mensem

except in the case of the two Rangers at Hebbe and Muthodi, who are permitted to draw it irrespective of their total emoluments.

2 This allowance is given to Rangers in charge of select malnad Ranges in view of their being situated in the heart of unhealthy localities far removed from populated areas and the incumbents being put to extra expenses on that account. I am of opinion that the allowance having been given in view of the special nature of the locality, should have no reference to the salary of the incumbent filling the posts and that the same argument which is applicable to the case of the Rangers in charge of Hebbe and Muthodi Ranges to whom the allowances is continued irrespective of their total emoluments applies equally well to the case of the Rangers in charge of the other seven malnad Ranges. It may in this connection be stated that Government have kindly directed in their order No.A.F.445-6/Ft.231-40-4 dated 18-7-1941, that the Ranger attached to the Government Saw Mills, Shimoga to whom the above restriction applied may be permitted to draw the ~~daily~~ Duty allowance of Rs.10/- (sanctioned to him as per the above Government Orders) irrespective of his total emoluments.

3 In the circumstances, I recommend that the restriction imposed by the G.O.of 30-5-1932 (referred to supra) that the salary plus the allowances should not exceed Rs.100/- except in the case of the Rangers at Hebbe and Muthodi may be kindly waived by Government and request that orders may accordingly be communicated early.

Sir,

Letter No.1662 dated 24th/25th June 1942 from the District Forest Officer, Mysore Division, Mysore to the Chief Conservator of Forests in Mysore, Bangalore.

Re:- Local allowance to the Range Officer, Begur.

I have the honour to state that Government in their order No.G.2291-2/Ft.2-27-10 dated 20th August 1929, sanctioned tentatively for a period of one year from 1st August 1929 local allowance at Rs.10/- per mensem to each of the marginally noted eight Ranges in view of the unhealthiness of the localities and arduous nature of duties involved. This local allowance was continued till the end of June 1933 as per sanction accorded in Government Orders No.G.1759-60/fT 38-30-2 dated 11th August 1930 and G.3613-14/Ft.38-30-13 dated 4th November 1931. Government directed in their order No.Fl. 8611-12/S&A.176-31-38 dated 30th May 1932 that the local allowance drawn by the Rangers in charge of nine(9) Ranges(eight being those already referred to above and the nine being Sagar Range) be continued with effect from 1st June 1932 subject to the condition that the salary plus allowance should not exceed Rs.100/- per mensem ecept in the case of 2 Rangers at Hebbe and Muthodi(to whom the allowance was continued irrespective of their total emoluments) Further continuance of the local allowances to these 9 Rangers was sanctioned till the end of June 1937 as per Government Order No.G.6895-6/Ft. 6-33-37 dated 10/15th March 1937; and continuance of the same has been sanctioned as a permanent measure in Government Order No.G.9749-6-33-40 dated 3rd/7th June 1937. The continuance of the local allowance to these 9 Rangers has been sanctioned also in Government order No.G.2864-5/Ft.30-34-11 dated 22nd September 1938 ordering the re-organisation Department with effect from 1st October 1938.

2. Mr.P.Parasurama Rao, Ranger I Grade on Rs.125/- who has been in charge of Begur Range from 23rd October 1941 represents

in his report No.256 dated 12th November 1941(submitted herewith in original for kind perusal), that local allowance to the 9 Rangers mentioned above having been sanctioned by Government in view of the unhealthiness of the localities and the conditions in Begur Range being worse than those of Muthodi and Hebbe Ranges, he may kindly be permitted to draw the local allowance though his pay is Rs.125/- as is being done by the Range Officers of Hebbe and Muthodi and that the condition that salary plus allowance should not exceed Rs.100/- per mensem may not kindly be made applicable to him. He has to tour in forests in which there are wild elephants. He has therefore to incur extra expenditure for keeping effective and expensive Fire-arms and costly ammunition for self protection as stated in his report. He has to maintain a pair of bullocks and a cart for his touring work. He states that expenditure of this nature is not expected to be incurred in Hebbe and Muthodi Ranges. The local allowance at Rs.10/- per mensem if permitted to be drawn by him will help him to meet a part of the extra expenditure.

3. In the circumstances represented by the Range Officer, I recommend that he may kindly be permitted to draw the local allowance sanctioned in the Government Order referred to above irrespective of his emoluments as in the case of the Rangers in charge of Muthodi and Hebbe Ranges.
